**SUBJECT: CE 1907/2006 – REACH REGULATION**

Dear customer,

On 18 December 2006, The European parliament and council adopted a new regulation for Chimica material, the name is REACH (Registration Evaluation Authorisation and Restriction of Chemicals).

The regulation REACH (EC) 1907/2006 was published in the Official Journal of the European Union on 30/12/2006 and entered into force on 1 June 2007.

With regard the substances in the **updated SVHC list (update of 23.01.2024)**, none of them is present in the compounds we use as an ingredient or as an impurity above 0.1%

The updated version and the related press release is available on the ECHA website

[http://echa.europa.eu/chem\\_data/authorisation\\_process/candidate\\_list\\_table\\_en.asp](http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp)

We remain at your disposal for any clarification and take this opportunity to extend our best regards.
